

# 666 Sins List - Sins in the Bible for Your to Repent Out of, Uninstall them from Your Mind and Heart

Consider yourself a computer. You have been installed with a lot of malware by living in this world through schools, media, confused people, faulty religions, faulty doctrines, family, friends, books direct dark forces thought injections, whispering in your ear and the like.

You will do a sin voluntarily only if you believe that sin is good or ok to do. When a lie has been introduced to you in combination with an emotion combined with a “reward” then you have the makings of a sin belief. Once you believe that the sin is ok or good to do you have accepted the malware, virus into your operating system. Once that virus is triggered by some event or thought or emotional set in life the virus program will run, and you will execute the sin. So if you think that the reward of the sin is good, then you will start to believe in that lie, the sin lie and do that lie on cue or as a habit.

And for understanding, the ways of this world, sin beliefs, sin “malware or viruses”, are commands, like software command coding. And these sin beliefs are called the Commands of Satan! You, by growing up in this world are likely loaded with these sin viruses. All of these viruses need to be REMOVED. You working with the Lord, asking His help to expose the virus sin belief and then asking Him how to uninstall the virus (taking an ax to the root of the belief, finding when you first believed the lie, then disavowing the lie, confessing it is wrong).

And after you uninstall these 666 commands of Satan you need to then install the Commands of Jesus from the New Testament (see our [commands list](#) page or go through the New Testament yourself and read every verse stated in a command style or an implied command style by Jesus in the Gospel books and by the apostles as they expound on the commands of Jesus, as they were commanded to do in Matthew 28:19-20). You need to work with the Lord Jesus, your One and Only Teacher to explain to you if you are breaking the command (if you’re not sure you can assume that you are likely breaking that command, likely heavily) and then work with Him on how to do the command and get good at doing that command. Once you do the command and see that Jesus commands are good, that they bear fruit you will start to believe Jesus commands. You will start to believe Jesus!

And once you believe Jesus commands are good and ok to do, those commands will now

become your beliefs. And as you install Jesus' Commands you are installing the Word of God into yourself. You are eating His flesh and drinking His blood, in a sense by assimilating the Word of God, which is Jesus. Now your heart and mind will come in line with the Mind of Christ, the Holy Spirit, your new man. As you install the Commands of Jesus you will bear much fruit and build much eternal wealth. You'll become the 4th seed bearing 30,60,100 fold.

## **It is Important to Go Through This List To See What Sin Habits You Have and Repent of them, Drop Them, Uninstall Sin Habits, Turn to God and Install the Commands of Jesus**

**Print this list out and go through them one by one (see the PDF version top right). Repent out of each sin. That means identify the sin in yourself. Ask the Lord's help to reveal if and when you have done this or that sin. Identify the sin as sin. Confess you've done the certain sin. Say "I repent in the name of Jesus..." [that particular sin]. Ask the Lord for understanding when needed. Look up any words you don't know in the dictionary or through a search engine search. Get these sins repented out of IMMEDIATELY! Why?**

- According to many Heaven & Hell visitation, some that died, visited Heaven and Hell as a tour then came back to teach: un-repented sin AFTER you are born again keeps you out of Heaven! Oh yes! It's indeed scary. We usually hear the opposite by most denominations don't we. See the multiple Heaven and Hell testimony videos [here](#). Are these Heaven and Hell visitations true? I don't know, I did not go myself but they certainly brought out the significance and important of every Bible verse in the New Testament, most which go ignored. But I tell you what - we want to be excellent in the Lord and do all He says. So therefore we search the scriptures to find out if these things are true like the Bereans.
- According to Hyun Sook Na who says she has been visiting Heaven and Hell for over 20 years, All of your sins after you are born again are recorded in a Book of Sins, yes after we are born again! This is why we need to wash our feet from time to time so

Jesus can have part with us. (so if sins are an offense to Jesus who came to suffer and die for our sins then we definitely want to apologize, denounce and rid of those sins so we can restore the relationship. Think of restoring your relationship with a spouse or friend after you did something that upset them). We don't want any sins in that book! - they get removed tough by "repenting in the Name of Jesus" to be covered under the blood of Jesus. So that's good news, after you repent of each one in the Name of Jesus. Hyun says, "People go to Hell not for sin but for unrepentant sins". So use this information to become highly motivated!

- Most of us who didn't know about all of these sins (when i first went through this list i realized i was doing about 80% of this list, yikes! - to give you a picture of how shockingly unknowing most of us are about the sins listed in the Bible) have a huge "sticky mass" of sins piled up in this Book of Sins because:
  - a. We got conned by this terribly sin filled world
  - b. We didn't even know the many sins of the Bible because we did not pursue the Bible hard enough.
  - c. We were taught to ignore the sayings of Jesus and treat them as just "nice sayings" or that Jesus commands were meant only for people around Him at the time
  - d. doctrines of man including most of the major evangelical denominations have removed 1/2 of the salvation process in emphasis which is the holiness + obedience part. They removed the second half of the great commission in Matthew 28: 19-20 with no concept of a command of Jesus. So we followed these denominations instead of following Jesus.
  - e. we never even understood the definition of the word "repent" !
  - f. we didn't think the New Testament was so "literal"
  - g. we didn't have any emotional feeling of urgency
- Take this list: repent out of every sin. Go through this list 3 times, sin by sin and make sure you never do one of these sins again! For inspiration and direction, really go watch those Heaven and Hell visitation testimony videos.

Do you believe that any of these sin beliefs are ok to do? Really, look into yourself. Ask the Lord to shine His Light on you and expose every sin to you so you can confess it and repent out of it in the Name of Jesus.

Confess sins you've done in the past as a believer. Ask the Lord to expose the sin beliefs, the sin habits of the various sins below.

Warning: This will be a lot of work but consider pursuing the riddance of these sin beliefs and repentance of past sins as something to do in sheer panic! For eternity is on the line according to these Heaven, Hell visitations and you, we do not want to be in error. Don't waste a moment. Get to work! Get these sin beliefs this malware virus programming out of you. Cleans yourself so you can be used by God. Start uninstalling Satan's commands and start installing Jesus commands!

It's very easy to pick up a sin belief. You are likely to have many programmed in you from growing up in the world and being surrounded by worldly things. You have to prevent future installation of Satan's malware. So as you install [Jesus commands](#) you'll be able to thwart sneaky tricks of Satan's dark forces that are trying to install their malware into you in the future.

AND if you have a sin belief programmed into you from the world, from Satan. If you follow sin beliefs you are a follower of Satan and you are making Satan your Lord! So act fast and uninstall all of these false beliefs thinking that it's ok or good to do the following below.

You, we all will be held accountable. Every sin you, we do is recorded in a book of sins. That is not good. According to several [Heaven and Hell visitation testimonies](#), (See Hyun Sook Na and Sarah Boyanga) when you sin your name is blotted out of the Book of Life (that means Hell), but when you repent in the Name of Jesus your name gets written back in.
